Estimada Dra. Soler:

Es un verdadero placer aceptar su generosa invitación para integrar el Grupo de Estudio de Olfato y Gusto (GEOG) de Argentina en carácter de Miembro de Honor. No cabe duda que su iniciativa de formar este grupo constituye un paso muy importante para impulsar el desarrollo científico y clínico en el área de los sentidos químicos.

Cordiales saludos,

Dr. J. Enrique Cometto-Muñoz  
Research Scientist  
University of California, San Diego
